- 10 Membrane with light

#### Operation

### 1. Power on/off

To turn the speaker on or off, press and hold Power button for 3s. When the speaker is turned on, you will hear an audio prompt, and blue LED will blink fast.

#### 2. Bluetooth connection

Turn on the speaker and activate the Bluetooth function on your Bluetooth device so it will search for the speaker. Then select the speaker name "Denver BTV-213" to connect. When connected, you will hear an audio prompt and blue LED will light up.

To disconnect the speaker with your device, press and hold TWS button.

After the speaker is turned off and back on, it will automatically connect to the last connected Bluetooth device.

### 3. Playing music

- When playing music, press Play/Pause button to pause/resume playback.
- B. When playing music, press "+" or "-" to play next or previous track.
- C. When playing music, press and hold "+" or "-" to increase or decrease volume. You will hear an alert tone when the maximum volume is reached.

### 4. Call

- When there is an incoming call, press Power button to answer the call.
- B. To end the call, press Power button again.

## 5. Aux-in mode

To play music, insert an audio cable into Denver BTV-213 speaker and the other end to your smartphone, tablet or computer. Press Power button 2 times to switch between Bluetooth mode and Aux-in mode.

## 6. TWS mode

Turn on two Denver BTV-213 speakers, then press TWS button on one of the speakers so they will connect with each other using a Bluetooth connection. You will hear an audio prompt when two speakers are connected. To disable TWS mode, press TWS button 2 times.

# 7. Charging

Insert the supplied Micro USB cable into the charging port of Bluetooth speaker and the other end of the cable to a SV USB charger. Red LED will be on when charging and will be off when fully charged.

### 8. Light control

Press light control button to change between 6 different light modes or turn light off.

## Technical Specifications

- Bluetooth version: 5.0
- Size & Weight: 75\*186 mm (D x H): 460 g
- Material: ABS & Fabric
  - Battery: 3.7V, 1200mAh
  - ❖ S/N & Distortion Ratio: ≥85db: ≤0.5%
  - Horn: 4Ω
  - . Bluetooth range: about 10 m
  - . Charging port: Micro USB
  - ❖ Working time: about 5 ~ 6 hours (50% volume)
  - Charging time: about 2 ~ 3 hours

Please notice - All products are subject to change without any notice. We take reservations for errors and omissions in the manual.

ALL RIGHTS RESERVED, COPYRIGHT DENVER A/S

Electric and electronic equipment and included batteries contains materials, components and substances that can be hazardous to your health and the environment, if the waste material (discarded electric and electronic equipment and batteries) is not handled correctly.

Electric and electronic equipment and batteries is marked with the crossed out trash can symbol, seen above. This symbol signifies that electric and electronic equipment and batteries should not be disposed of with other household waste, but should be disposed of separately.

As the end user it is important that you submit your used batteries to the appropriate and designated facility. In this manner you make sure that the batteries are recycled in accordance with legislature and will not harm the environment.

All cities have established collection points, where electric and electronic equipment and batteries can either be submitted free of charge at recycling stations and other collection sites, or be collected from the households. Additional information is available at the technical department of your city.

Hereby, Denver A/S declares that the radio equipment type BTV-213 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <u>denver.eu</u> and then click the search ICON on topline of website. Write model number: BTV-213. Now enter product page, and RED directive is found under downloads/other downloads. Operating Frequency Range: 20Hz-20KHz

Max Output Power: 40dBm

Bluetooth Frequency Range: 2402MHz ~ 2480MHZ

Warning. Lithium battery inside
